## NEWSPAPER PARTY IN CRIPPLED CAR

San Diego, Cal., March 14.—Activity aboard the United States warships anchored off San Diego harbor appears to indicate that the navy department expects the ships soon to see more serious service. Armored cruisers California, South Dakota and Pennsylvania are being prepared for duty ashore. Whether this landing will occur on United States soil or that of a foreign country, there is no hint even in official circles.

## CAMORRA JURY IS HARD TO OBTAIN

Italians Dread Vengeance of Society if Conviction Follows.

Viterbo, Italy, March 14.—It took summary methods by cavaliere Bianchi, president of the court which is to try the 36 members in the famous "Camorra" for murder, even to partially fill the jury box today. Nevertheless, all but four of the necessary jurors were secured when the resources of the court gave out and court adjourned until tomorrow.

## OGDEN REID AND MISS ROGERS WED

Racine, Wis., March 14.—Miss Helen Miles Rogers, daughter of Mrs. Benjamin Talbot Rogers, of this city, and Ogden Mills Reid, of New York, son of ambassador and Mrs. Whitelaw Reid, were married today in Racine college chapel. Among the many gifts was a huge silver piece inscribed "Ogden Reid from the men who worked with Mr. Reid on the New York Tribune."

## BEGIN REORGANIZING MISSOURI PACIFIC

St. Louis, Mo., March 14.—A reorganization of the Missouri Pacific Railway company began here today with the meeting of stockholders to elect directors. The meeting means the retirement of George Gould from the active management. Charles S. Clarke, first vice president, who presided, cast the votes of Kuhn-Loeb-Rockefeller interests for the present proposed directors. Independent votes were cast for N. B. Lancaster Williams of a Baltimore banking house.

## ELECTION FOR NEW COUNTY NOT CALLED

County Judge A. S. J. Eyllar has not yet set the date for the Culberson county election, but it will probably be about April 18. He is waiting an official copy of the bill creating the county and official notification that the governor signed the measure.

## THREE KILLED IN FALLING ELEVATOR

St. Paul, Minn., March 14.—An elevator in the wholesale fur house of Gordon and Ferguson fell several floors this morning and was further wrecked by counter balance weight falling on it. Two girls and a man were killed and several others in elevator at the time were more or less severely injured.

## CARACRISTI OUTLINES PEACE ARRANGEMENT

(By Othena Stevens, Field Correspondent Hearst Newspapers.)

On the authority of the American counselor for the Insurrectos, Dr. C. F. Z. Caracristi, I have the two propositions which the Maderistas will consider for a sort of intervention on our part, or failing that, for a restoration of railway traffic.

## SPECULATION AS TO WAR PRISONERS

Insurrectos Claim Prisoners Taken at Casas Grandes Executed.

Definite news of the fate of 15 Americans who were captured by federals a week ago in the battle of Casas Grandes and who, it was reported last night, had been shot to death, is eagerly awaited in El Paso. Many are of the belief that the men are still being held in the little jail at Casas Grandes.

## MEXICAN EXECUTED BY THE FEDERALS

Bacoachi Man Is Executed at Hermosillo by Federal Order.

Cananea, Mex., March 13.—It is rumored here that Ramon Esqueda, who was a merchant in Bacoachi, has been shot by order of the government at Hermosillo. It seems that Esqueda joined the revolutionists when they occupied Bacoachi and volunteered to demand the surrender of Arizona to the revolutionists in charge of "Red" Lopez and Juan Cabral.

## GARIBALDI'S FATHER CABLES TO HIS SON

Rome, Italy, March 14.—The report of the death of Giuseppe Garibaldi, grandson of the Italian patriot, in an engagement between the Mexican troops and Insurrectos, has been received here with keen regret.

## CONFIRMATION FROM HERMOSILLO OF EXECUTION OF ESQUEDA

Hermosillo, Mex., March 14.—When the rebels left Fronteras they went towards Arispe, arriving first at a town near there called Bacoachi. From that place they sent two men, one of them merely a merchant from this city by the name of Enrique Esqueda, the other unknown, to Arispe to ask the evacuation of the town.

## MONTEREY AMERICANS JOIN THE RED CROSS

Monterey, Mexico, March 14.—Numerous Americans, especially physicians, dentists and other professional men, are joining the American National Red Cross association, in order to show their neutrality in the present situation here. It is also their desire to be of help to those who need it whether they are rebels or federals. Consul general Philip C. Hanna has charge of the enlistments here and is doing a good work.

## COL. CUELLAR LOSES ARM IN BATTLE

Madero Reported Coming to Juarez, Following Battle of Casas Grandes.

## FEDERALS LOST 24 MEN KILLED

Insurrectos Had 100 Killed According to the Report to Col. Tamborel.

## NO CANNON IN JUAREZ TO USE ON INSURRECTOS NOW

If reports commonly current in Juarez have any foundation in fact, Francisco I. Madero and his Insurrecto army are marching in the direction of Juarez.

"Juarez? Wait," the Insurrectos have been saying when asked about Juarez. "Something will happen soon," they would add.

According to reports Madero has turned north from Casas Grandes and is now marching in the direction of Juarez—maybe to try to take it.

Reinforcements are cut off and the town is defended by less than 500 men. There is no artillery in the place, as all the field guns were taken by Cuellar when he went to Casas Grandes, and Rabago when he went down the Mexican National. Cuellar cannot get back without marching, and Madero, if he is coming as reported, is at least two days ahead of the federals. Rabago is cut off on the National, as Creighton and his band have blown up all the bridges south of here to Ahumada, and marching is also his only chance to get back here. Meantime the Insurrectos doubtless have enough men to keep Chihuahua under siege, so that the force marching to Juarez could be spared.

The news that Madero is marching this way is said to have been brought to Juarez by a messenger sent from Casas Grandes to report to Col. M. Tamborel, commandant of the Juarez garrison. Col. Tamborel will not discuss the matter. That a messenger arrived during the night from Casas Grandes, he admits, however, and says the messenger brought an official report that Col. Samuel Garcia Cuellar, who commanded the federal forces at Casas Grandes, lost his right arm. He was shot in the elbow by an Insurrecto bullet and the arm was amputated.

Col. Tamborel also said he got an amplified report of the killed and injured in the battle. The rebels, he said, lost 100 men killed and 40 taken prisoners, while Cuellar's loss was 24 dead and 33 injured.

Sixty Insurrectos marched out of Juarez Tuesday morning with blankets rolled on their backs as if they expected to do scout duty in the vicinity of Guadalupe and the country to the east of the town.

## FIGHTING WITH REBEL BANDS NEAR TORREON

Torreón, Mexico, March 12.—(By Mail)—A sharp fight took place at Coyote hacienda, a short distance from Torreón, yesterday afternoon in which three rebels were killed and several wounded and two regulars were killed. The soldiers captured a number of horses and saddles, probably belonging to their fallen foes. The revolted made a raid on the Coyote property, stealing horses and robbing the store of considerable merchandise. They had scarcely ended their work when they were surprised by government troops and according to reports, suffered a defeat and rout.

## TROOPS TO REMAIN AT FT. SAM HOUSTON

Mobilization For Relief of Border Patrol—Not to Increase It.

Washington, D. C., March 14.—The troops now concentrating at San Antonio, Tex., are to be kept in that vicinity. So are those centering at San Diego and Galveston. This statement was made on the highest authority of the war department, notwithstanding constant rumors to the contrary. The patrol work of troops on the border is arduous, and for this reason the department is making plans for relieving those now there after a short time. But there is no present intention of increasing the patrol.

Maj. Von Herwerth, of the German army, and attached to the embassy at Washington, is the first representative of the European armies on the ground at San Antonio. He will be there at least two weeks and is accompanied by his secretary, William Kieversahl. That more of the foreign attaches are on the way was made certain when provision was made for tentage for those who prefer living in camp rather than in the downtown hotels.

All the troops ordered there have arrived except the ninth cavalry and fourth field artillery from Fort D. A. Russell, Wyo.

## Ex-President Is to Address Them in Cleveland Square at 8:15 Wednesday.

## BREAKFAST IS TO BE AT 7:30 SHARP

Port Worth, Texas, March 14.—Although he arrived in the midst of a disastrous fire in the stockyards and during a rainstorm, Col. Roosevelt was given a hearty welcome when he reached here today. Captain B. Burnett, who arranged the famous Oklahoma wolf hunt five years ago for the former president, was the host at breakfast. The colonel paid but a flying visit, his train pulling out for El Paso shortly after 9. He delivered a brief address before the National Feeders and Breeders show at the stock yards.

Col. Theodore Roosevelt, private citizen, will be the guest of El Paso for two hours and 45 minutes Wednesday. The Roosevelt special is now speeding across the state from Port Worth to El Paso over the Texas & Pacific, having left Fort Worth at 4:45 Tuesday morning. The exact time of its arrival in El Paso is not known, but it is expected to reach here by 7:30 a. m. Wednesday. The train will stop at the Mesa avenue crossing and will be parked opposite the Angelus hotel until after the speaking at Cleveland Square.

The Program.  
The breakfast at the Toltec club will be the first of the colonel's strenuous program after his formal reception by the committee at the train. Those who are planning to attend the breakfast are expected by the committee to be at the Toltec club by 7:15 a. m. as the breakfast will start at 7:30 sharp, and it is desired that all but the guest of honor be seated before his arrival with the reception committee. The breakfast is to be served in the ballroom of the Toltec club by the St. Regis hotel and will be finished by 8:15. It is expected that Col. Roosevelt will make a brief speech at the breakfast, preceding his public address at Cleveland Square. The address will begin promptly at 8:15 a. m. He will be introduced by county judge A. S. J. Eyllar. Mr. Roosevelt's train will leave the union station at 9:45 for Albuquerque.

Should the weather not permit of an outdoor meeting Wednesday morning, Frank Rich has donated the use of the El Paso theater for the public address.

The 23rd Infantry and Fourth cavalry bands will probably participate in the informal demonstration in honor of Col. Roosevelt when he arrives in El Paso. Col. E. Z. Steever, commanding the Fourth cavalry, has been invited to attend the breakfast, as has Col. A. C. Sharpe, of the 23rd and it is probable that the band of the Fourth cavalry will be sent down town to furnish music for the occasion. The Fourth cavalry band is mounted on white horses and their appearance at the head of the colonel's carriage is expected to attract much attention, should they participate in the parade.

The Reception.  
Mayor Martinez and collector of customs A. Beres, of Juarez, have been invited to attend the breakfast, as have the guests of the city and chamber of commerce. Seats will be reserved at Cleveland Square for the invited guests and for those who attend the breakfast. The reception committee, which will meet Col. Roosevelt and his party at the train will be dressed in silk hats and frock coats. Those who attend the breakfast will wear business suits. The reception committee will be composed of acting mayor J. J. Hewitt, Walter S. Blumenthal, Walter S. Clayton, and Percy McGhee, president J. G. McNary, directors A. C. Aubrey, J. M. Goggin, A. Schwartz, Burt Orndorff and G. F. Hawks of the chamber of commerce; E. S. Stewart, J. W. Fisher, W. W. Rose, F. W. Feldman, members of the breakfast committee; Col. A. C. Sharpe and Col. E. Z. Steever, customs collector A. L. Sharpe, postmaster J. A. Smith, judge A. S. J. Eyllar, judge A. M. Walhall, judge J. R. Harper and Henry Beach.

## AMERICANS TO SUFFER AS REBELS IF CAUGHT

New York, N. Y., March 14.—What may be considered an official Mexican reply to the recent representations said to have been made by the United States asking for a liberal treatment as possible for Americans caught bearing arms on Mexican territory, is contained in a statement made here this afternoon by Jose Limantour, Mexican minister of finance.

In substance it is indicated that the captured American allies of the revolutionists will have to take their chances with their Mexican companions. The intimation is strong that no preferential treatment can be accorded them. This is considered to mean that under martial law they might be summarily tried and executed.

## 500 HEAD OF CATTLE BURN IN FORT WORTH

Fort Worth, Texas, March 14.—Nearly two acres of stock sheds were burned here today, killing more than 500 horses, sheep and hogs and seriously burning four men. The value of the animals burned is estimated to be \$250,000 and the property loss \$5000.

The stock destroyed was mostly blooded animals on exhibition at the National Feeders and Breeders show.
